

Short cut keys for user interface (Lego Rock Raiders)

Version V.0.102

These keys are set up in Lego.cfg in the InterfaceImages section

NOTE: All short cut keys are activated by holding down 'F2' then pressing the appropriate short cut key. E.g. to teleport a man down when on the main menu, hold 'F2' then press 'M' once.

Only shortcut keys for the currently displayed menu will work.
